TEACHER NOTES

Halloween Color by Note · 3 levels · grades 1–5

HOW TO USE

- Pick a level for each student or group, print the worksheets single-sided, and hand out crayons or colored pencils.
- Students read the symbol in each space, find it in the color key, and color the space. Every space has a symbol in it.
- **White** in a key means leave the space white. **Gray** can be a gray crayon or a light pencil shade.
- Check with the answer key that follows each level. Keys are full-color pages you can print or project.
- All three levels use the same nine pictures, so one class can color the same picture at three different reading levels.

GREAT FOR

- Early finishers and music centers
- Sub plans (no music background needed with the answer keys)
- A quick check of note-reading before or after Halloween lessons

 WHOLE NOTE 4 beats	 HALF NOTE 2 beats	 QUARTER NOTE 1 beat	 EIGHTH NOTE ½ beat	 QUARTER REST 1 beat of silence
---	--	--	---	---

LEVEL B • TREBLE CLEF NOTE NAMES

Lines (bottom to top): E G B D F • Spaces: F A C E • The first note, C, is middle C on a ledger line.

LEVEL C • BASS CLEF NOTE NAMES

Lines (bottom to top): G B D F A • Spaces: A C E G • The last note, C, is middle C on a ledger line.

STEMS

Notes below the middle line have stems going **up** on the right. Notes on or above the middle line have stems going **down** on the left. The stem never changes the note name: only where the notehead sits does.
